

Ruethaiboon Srithai

Junior Software Developer

An enthusiastic junior software developer. Proficient in English and Spanish with self-learning ability and a passion for continuous improvement, I'm highly motivated to enhance my technical skills in software development. Currently, I'm seeking opportunities to work and embark on a software developer path, I'm dedicated and adaptable, and I'm keen to improve my technical skills. If you are in need of a dedicated and motivated software developer, I would be excited to connect with you and explore potential collaborations.

Junior Software Developer - Generation Thailand

- Got hands-on experience project-based, focusing on database and back-end development.
- Collaborated with a senior developer team to supervise and received mentorship
- Utilized React.js, Node.js, and MongoDB to create an application for recording the exercise of the elderly. (ensured the application was user-friendly with large fonts and responsive)
- Technical skills and soft skills used:
 - HTML5, CSS3, TailwindCSS, JavaScript, React.js
 - Node.js, Express.js, MongoDB, SQL
 - Teamwork
 - Agile and Scrum working system
 - Receiving feedback to improve skills

Experience

Production Assistant

December 2022 - February 2023

MDPI Thailand Co., Ltd. | Bangkok, Thailand

- Applied detail orientation skills in correcting academic papers for publishing
- Participated in Zoom meetings with foreign co-workers to share ideas and receive feedback

Crew Member, Conductor

May - September 2022

Work and Travel | Wildwood, NJ, USA

- Managed a store with 7+ team members to serve and create great impressions for customers
- Served food and beverage in fast-paced environment
- Led multilingual communications between employers and members

Content Creator

2015 - Present

- Translated subtitles from English to Thai and edited videos on YouTube, initially, in order to develop skills in self-directed learning
- Eventually, become a freelance translator and subtitle editor

Extra Curriculum Activity

- Organize an academic booth to introduce Spanish and Latin American studies to interested individuals, in order to provide accurate information for making informed decisions about future educational pursuits.
